Crossword Puzzles for Terminology Review:

Alternative formats to the interactive crossword puzzles that are more content based are available for those needing accommodation. Please contact the instructor for this alternative version.

Podcasts and other Video Links:

Many of the sponsors of these learning resources provide alternative formats. Please contact your instructor for assistance if they can't be found on the sponsoring web site. If no alternative is available, the instructor will work with the student to find another learning resource that can accommodate their needs.

Instructor Commitment:

In accordance with the American Disabilities Act, the instructor is willing to make reasonable accommodations for limitations due to any disability, including learning disabilities. Please contact me to discuss any special accommodations you may need. Students need to register with the Disability Resource and Services Office. For more information, contact them at 480-461-7447 or 969-5587 (TDD).
